- Storage: keep refrigerated once opened.

Novella - Black Olives (Whole) in Brine 1,600 ml

- Rich, full-bodied black olives with a firm texture.
- Storage: keep refrigerated once opened.

Novella - Green (Giant) Olives in Brine 1,600 ml

- Savory and plump green olives preserved in brine.
- Storage: keep refrigerated once opened.

Novella - Pitted Green Olives in Brine 1,550 ml

- Pitted green olives preserved in brine for a salty and tangy taste.
- Storage: keep refrigerated once opened.

**La Torrente - Peeled Tomatoes
6 x 2,5 kg**

- Peeled Italian tomatoes immersed in their own natural juice.
- Storage: dry, cool & dark place. Once opened, keep refrigerated at +4°C and consume within 3 days.

**La Torrente - Peeled Tomatoes
24 x 400 gr**

- Peeled Italian tomatoes immersed in their own natural juice.
- Storage: dry, cool & dark place. Once opened, keep refrigerated at +4°C and consume within 3 days.

KSHEER - Gouda Cheese
2,5-3,5 Kg

- Firm cow's milk cheese with a mild, slightly salty flavour and an elastic structure.
- Storage: Chilled (0°C - 4°C).

KSHEER - Swiss / Emmenthal Cheese
2,5-3,5 Kg

- Pale-yellow interior with marble-sized holes. Mildly nutty, sweet flavour with a firm, silky texture.
- Storage: Chilled (0°C - 4°C).

KSHEER - Lactic Unsalted Butter
2-2.5 Kg

- Creamy, smooth, and tangy butter without added salt for a pure taste.
- Storage: Chilled (0°C - 4°C).

KSHEER - Lactic Unsalted Butter
25 Kg

- Creamy, smooth, and tangy butter without added salt for a pure taste.
- Storage: Chilled (0°C - 4°C).

Vilux - Dijon Mustard
1 Kg

- Gives your dish a strong punch of mustard flavour and aroma.
- Storage: dry, cool (18°C) & dark place.

Vilux - Dijon Mustard
6x200 Gr

- Gives your dish a strong punch of mustard flavour and aroma.
- Storage: dry, cool (18°C) & dark place.

Vilux - Whole Grain Mustard
1 Kg

- Wholegrain mustard with mild mustard flavour.
- Storage: dry, cool (18°C) & dark place.

Vilux - Whole Grain Mustard
6x200 Gr

- Wholegrain mustard with mild mustard flavour.
- Storage: dry, cool (18°C) & dark place.

Vilux - Apple Cider Vinegar
2x5 Ltr | 6x1 Ltr

- Made from fermented apple juice. Tangy and versatile vinegar with various health benefits.
- Storage: dry, cool & dark place.

Vilux - Balsamic Vinegar
2x5 Ltr

- Rich, sweet and tart vinegar made from cooked grape must, aged to perfection.
- Storage: dry, cool & dark place.

Vilux - White Wine Vinegar
2x5 Ltr

- Fermented white wine. Mild, tangy and slightly acidic vinegar with a hint of fruitiness.
- Storage: dry, cool & dark place.

Vilux - Red Wine Vinegar
2x5 Ltr

- Sharp, acidic vinegar made from red wine, ideal for dressings and marinades.
- Storage: dry, cool & dark place.

Vilux - Capers Les Epices
6x60 Gr

- Small, flavorful buds preserved in vinegar, adding a burst of Mediterranean flavour.
- Storage: keep refrigerated once opened.

Vilux - Cornichons

- A cultured soft and creamy long-life sour cream with a delicious tangy flavour.
- Storage: Chilled (0°C - 4°C)..

Tatua - Whipping Cooking Cream CULINARY 1 Ltr

- Has a high overrun of between 100%-120%. Suitable for cooking, pastry and baking.
- Storage: Chilled (0°C - 4°C).

Tatua - Whipping Cream 36% For PASTRY 1 Ltr

- Has 36% milkfat with overrun up to 150%. Perfect for bakery, pastry and cafe applications.
- Storage: Chilled (0°C - 4°C).

Mozzarella Cheese Block 2.5 Kg | 2 x 10 Kg

- Fresh, milky flavour with soft & stretchy texture once melted.
- Storage: Chilled (0°C - 4°C) or Frozen.

Shredded Mozzarella Cheese 2.5 Kg

- Same texture and flavour but more convenient. Ready-to-use.
- Storage: Chilled (0°C - 4°C) or Frozen.

Danish White Cheese (Feta) Kg

- Crumbly texture with distinct flavour; salty and slightly sour.
- Storage: Chilled (max. 5°C), do not freeze.

Lactic Unsalted Butter
Kg | 25 Kg

- This cultured butter has a more pronounced flavour, sweet and slightly acidic.
- Storage: Chilled (0°C - 4°C).

Sweet Cream Unsalted Butter
Kg | 25 Kg

- It's the common plain unsalted & uncultured butter, perfect for cooking & baking.
- Storage: Chilled (0°C - 4°C).

Cream Cheese
2 Kg

- Soft, smooth & creamy cheese that is mild-tasting, made from milk & cream.
- Storage: Chilled (0°C - 4°C) or Frozen (below 0°C).

Dairymont - Coloured Cheddar Cheese Burger Sliced 84's | 1 Kg

- Savory and buttery with a mild tang and appetizing deep yellow colour.
- Storage: Chilled (0°C - 4°C).

Mild White Cheddar Cheese
Block | Kg

- Classic cheddar cheese block, versatile and delicious for any recipe.
- Storage: Chilled (0°C - 4°C) or Frozen (below -18°C).

Sustainable Wheat Semolina Flour 12.5 Kg

- Perfect for pizza bases and pastas. It can also be a substitute recipe that calls for plain flour, great for your home-baked goods, from breads, cakes, muffins, to biscuits.
- Storage: Store in an airtight container, in a cool, dark, and odourless place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 12 months after production date.

Sustainable Unbleached Bakers White Flour 12.5 Kg

- Produced by stone-milling prime hard wheat, resulting in beige coloured flour with fine brans. It has a high protein content of at least 12%, which can help forming more gluten in the dough. This can make your baked bread firmer and chewier.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Wholewheat Bakers Flour 12.5 Kg

- This flour is produced by stone milling, giving it a stronger flavour and retaining more nutrients. It contains 12% protein with 10-14% moisture level. Usually used for sourdough, breads, pizza bases and any other baked goods.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 3 months (room temperature) and 1 year (fridge).

Sustainable Premium Bakers White Flour 12.5 Kg

- It is roller milled with all the bran removed, resulting in premium white baker's flour. It has a light cereal flavour and contains 10-14% moisture level with at least 12% protein, making it perfect for bread, pizza bases, pasta, and any other baked goods.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Premium Wholewheat Bakers Flour 12.5 Kg

- A versatile all-purpose flour that contains 100% whole grains. It's roller milled for a finer and more subtle flavour. It has a high protein level (over 12%), perfect for successful bread baking.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Plain White Flour 12.5 Kg

- Commonly known as all-purpose flour. Has a moderate level of protein content, usually around 9-11%. Can be used for any recipes, usually for cakes, pastries and biscuits.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Premium White Bakers High Protein Flour 12.5 Kg

- It is milled from hard grain wheat and has a protein content over 12.8%. High protein flour helps create a stronger gluten. That's why it is most suited for breadmaking.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Unbleached White Spelt Flour 12.5 Kg

- This stoneground, unrefined spelt flour contains fine brans, high minerals, amino acids and protein. It has a lighter and nuttier taste and can be used in any recipe as a substitute to regular flour with stronger flavour. Protein: 12%.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Whole Spelt Flour 12.5 Kg

- Spelt is an ancient grain that is similar to regular wheat. It can be a substitute for an all-purpose flour, with a better tasting flavour & texture (stone-milled). It has a slightly sour and salty notes. It's high in gluten (12% protein) and fibre.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Premium White Spelt Flour 12.5 Kg

- High quality part of the spelt grain is selected to be roller milled into a fine flour. The bran then sifted off to create a whiter and lighter texture. This flour can be used to replace all-purpose flour in any recipe. Protein: 12%.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Premium Whole Spelt Flour 12.5 Kg

- Using a selected premium part of the spelt grain. It is ground by steel fluted rollers (roller milled) into a fine flour. The bran is not sifted off for Premium Whole Spelt Flour.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Whole Rye Flour 12.5 Kg

- Whole rye meal contains all of the bran, germ and endosperm of the original rye kernel. It gives more texture, and flavour to your recipe. It gives a nice dark brown colour to your artisanal breads. Has lower gluten level than wheat flour.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Wholewheat Heritage Flour 12.5 Kg

- Stone-grounded heritage wheat, containing the endosperm, bran and germ. It has 12% protein level with a unique flavour notes and excellent baking properties. Usually used for bread and any other baked goods.
- Storage: Store in an airtight container, in a cool and dark place or in the freezer to extend its freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Light Sift Rye Flour 12.5 Kg

- The rye kernel is ground whole and then run through an extra screen to take out the larger bits of meal. It tends not to rise as much on its own due to its weak gluten. Great for moist and dense baked goods.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Premium White Heritage Flour 12.5 Kg

- Made with 100% organic heritage wheat, using the premium part of the grain to be finely ground. It has distinctive flavour with a 12% minimum protein level. It is suitable for breadmaking, pizza bases, and many more.
- Storage: Store in an airtight container, in a cool and dark place or in the freezer to extend its freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Unbleached White Heritage Wheat Flour 12.5 Kg

- It's milled from heritage wheat that was bred and grown before the 1950s. It's unbleached and finely sifted, with a distinctive taste and superior baking properties that are not found in modern wheat flour, resulting in remarkable baked goods.
- Storage: Store in an airtight container, in a cool and dark place or in the freezer to extend its freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Wholewheat Emmer Flour 12.5 Kg

- The grain passes through a stone mill and all of the bran, germ and endosperm is retained. This gives a stronger flavour and retains more nutrients. It is an ingredient that can be used as an alternative flour in many applications such as bread making. Protein: 12%.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable Whole Khorasan Flour 12.5 Kg

- This flour contains all the bran, germ, and endosperm of the Khorasan grain. It has a light brown colour with bran particles in it. This flour will give your dough a distinctive nuttier flavour & great texture. Protein level: 12%.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

Sustainable White Khorasan Flour 12.5 Kg

- Khorasan Wheat, also known as Kamut is an ancient grain originally from the historical Khorasan region in Asia. This flour is sifted after milling to remove the bran. It has a distinctive nutty flavour and higher protein than wheat flour. Protein: 12%.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 1 year (fridge).

FLOUR PRODUCT

Wholemeal Flour
3x1 Kg | 12.5 Kg

- It is slightly darker in colour compared to plain white flour because it contains the bran, endosperm, and germ of the whole wheat grain.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 3 months (room temperature) and 12 months (fridge or freezer).

Rye Wholemeal Flour
3x1 Kg | 12.5 Kg

- Rye meal flour contains all of the bran, germ and endosperm of the original rye kernel. It promotes moisture and density to your baked goods along with delicious nutty flavour.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 12 months (room temperature) and 24 months (fridge).

Self Raising Flour
3x1 Kg | 10 Kg

- It includes leavening agents, which ensures perfectly risen baked goods. You don't need to use additional baking powder or baking soda when you use self-raising flour.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 3 months (room temperature) and 1 year (fridge).

Spelt Flour
3x1 Kg | 12.5 Kg

- Made from easily digestible ancient grain, that is high in protein and fibre. It has around 14% of protein which are great for many baking recipes. You can make bread, cookies, muffins, waffles, and many more.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 3 months (room temperature) and 12 months (fridge or freezer).

Polenta Coarse
3x1 Kg | 20 Kg | 25 Kg

- It is labelled as polenta because the grind of the corn is appropriate to make polenta dish: a coarsely ground yellow cornmeal. It's very versatile and can be prepared in so many different ways.
- Storage: Store in an airtight container, in a cool, dark, and odourless place.
- Shelf Life: up to 12 months (room temperature).

GF White Flour
12.5 Kg

- It is made from a mix of flour that does not contain gluten, such as rice flour, tapioca flour and potato flour. GF White Flour is a suitable substitute to all purpose flour.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature).

Fine Semolina Flour
3x1 Kg | 12.5 Kg

- Usually made from durum wheat that is finely ground. It is slightly coarse but softer and silkier than semolina flour. It is also high in gluten protein, helps making a less sticky and more elastic dough compared to other flours. That is why it is great for making pasta.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 12 months.

Burghul Fine
3x1 Kg | 25 Kg

- With its size and texture, Burghul Fine usually cooks the fastest compared to Burghul Coarse. Usually used in West Asian cuisines, especially Turkish.
- Storage: Store in an airtight container, in a cool, dry and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 12 months.

Burghul Coarse
3x1 Kg | 25 Kg

- Burghul is low in carbs yet high in fibre. Burghul Coarse in on the large side of size, so it takes longer time to cook. Usually needs to be soaked in water first before cooking.
- Storage: Store in an airtight container, in a cool, dry, and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 12 months.

White Bread Crumbs
3x1 Kg

- It is made from bread that has been broken down into even small little bits and then toasted dry. Mainly used for fried dishes. It provides a fine and crispy layer. But it can also be incorporated in making burger patties.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months.

Buckwheat Flour
3x1 Kg | 25 Kg

- It is naturally gluten-free yet high in fibre, protein and minerals. It gives a nutty and earthy taste and also a dark colour to your recipes. Usually used for soba noodles, french crepes, and many more.
- Storage: Store in an airtight container, in a cool and dark place or in the fridge to maintain optimum freshness.
- Shelf Life: up to 6 months (room temperature) and 12 months (freezer).

Couscous 3 Kg

- Raw couscous from Morocco, ready to be cooked for any type of meal.
- Storage: Airtight container in a cool, dry, and dark place.

Couscous 25 Kg

- Raw couscous in bigger packaging, perfect for your commercial kitchen needs.
- Storage: Airtight container in a cool, dry, and dark place.

NUTS, PULSES AND SEEDS

Blanched Whole Almonds
3x1 Kg | 11.34 Kg

- Whole almonds with the skin removed by blanching. Can be made into many recipes.
- Storage: Chilled (0°C - 12°C) in airtight container.

Almond Flour Extra Fine
3x1 Kg | 11.34 Kg

- Finely ground blanched almonds. Usually used for macarons and gluten-free desserts.
- Storage: Airtight container in a cool and dry place.

Blanched Sliced Almonds
3x1 Kg | 11.34 Kg

- Blanched almonds that have been sliced, can be used for dish toppings.
